A Memorandum of Understanding (MOU) was signed between SNM (Singapore) and DBS Bank for the ‘Cyber Wellness’ initiative. Pre-Day Release Scheme (Pre-DRS)

Pre-DRS is a new scheme, which was initiated to engage suitable residents from Meranti Home in appropriate employment with SNM Nursing Home.

The initiative commenced on 26 August 2019 with three Meranti residents engaged as part-time cleaners at the SNM Nursing Home.

Residents are trained to improve their skillsets in general cleaning and learn good work ethics to work in an external environment. The scheme was initiated as a progression path leading to residents’ rehabilitation and eventual integration into the community.

By the end of the third month, one resident succeeded in securing a job under the DRS as a Part Time Cleaner with the HDB Town Council.

Initiatives by SNM's Senior Care Centre

Movement & Dance

The Movement & Dance programme is an activity where participants dance with their hands to the music while seated. The song "Beautiful Sunday" was selected for the first two months and in the third month, a hot favourite "Burung Kakak Tua" was introduced. This activity is designed to increase brain stimulation and emotional well-being and improve their gross-motor function through coordinating hand movements with the song.

Funfit Morning Exercise

The first session commenced on 16 August and is conducted twice a week by Instructor Zavier, who was able to engage the seniors well through fun and humour. Seniors, who are usually passive participants of the morning group exercises, were observed to be active during Zavier's sessions, responding with smiles and laughter.

Official Opening of SNM Care Centre

The SNM Care Centre, located at 394 Race Course Road, has officially opened. The facility is located in the Jalan Besar precinct, and is an extension of the Mission's services, which primarily focuses on providing a wider range of programmes to the community.

Ms Denise Phua Lay Peng, Mayor of Central Singapore District and Grassroots Adviser to Jalan Besar GRC

(Kampong Glam) was the Guest-of-Honour and officiated the opening ceremony.

Our donors, community partners and mission members were also present at the opening ceremony, where they witnessed the unveiling of the plaque before being guided on a tour of the newly renovated and equipped premises.

There were also programme stations, where our beneficiaries and volunteers shared with Mayor Denise Phua, donors and community partners the positive impact of our community programmes and services.

The Mission will be working with partners within the district to jointly collaborate on new community programmes and work towards building a stronger ecosystem for Singapore.
